2 GIRLS FLEE SCENE OF CRASH

Herbert E. Gosling, Ephrata, suffered contusions of the right knee and head about 3 o'clock this morning when his car struck the automobile of Miss Mildred Ender, parked on West Lincoln avenue, and then hit a National park marker located near Huber hall, corner of Carlisle street and Lincoln avenue.

Gosling today paid a fine of \$10 and costs before Justice of the Peace John H. Bashore on a charge of reckless driving brought by Borough Officer Charles W. Culp, Jr.

Gosling was admitted to the Warner hospital after the crash and released later today after treatment.

Borough police said Gosling had met two girls in Hanover and that he said one of the girls was driving when the accident occurred. Gosling, according to police, did not know the names of the girls who fled after the accident.

Officer Culp was searching for the girls today, one of whom left a Hanover phone number with a guard of the 55th College Training Detachment who was drawn to the scene by the noise. The girls left before police arrived, Culp said.

Chief of Police Glenn Guise and Officer Culp, are investigating the accident.

Damage to the Gosling car was estimated by police at \$125. The car belonged to the Torrington company, Philadelphia.

Borough Council Postpones Session

Because of the death Saturday of Mrs. Samuel D. Weikert, wife of Borough Councilman Weikert, members of the council adjourned their May meeting until next Monday evening a few minutes after President H. M. Oyer called the session to order in the engine house at 8 o'clock, Monday evening.

A letter of sympathy was directed to Councilman Weikert and council instructed Borough Secretary Wilmer Drach to send flowers in the name of the council. Then out of respect for Mr. Weikert, the meeting was adjourned.

GAS COURSE TO BE GIVEN HERE JUNE 8 AND 15

A special course in gas protection, in event of the use of war gases during an invasion, will be given by the five countians, who took a special course at Lancaster recently, on June 8th and 15th, it was announced today.

Dr. John Zinn and Fred Haehnlen, of Gettysburg, the Rev. D. S. Kammerer, of Littlestown, Robert Shadwick, of New Oxford and J. V. Haubecker, of Biglerville, recently completed the gas course, and will act as instructors for the classes to be conducted in the science hall at college to instruct countians in the proper method of combating and protecting civilians in event of a gas attack.

2-Evening Course

The course will require two evenings to complete and each borough in the county will be asked to send two persons to attend the course who will then be designated as gas officers in their respective communities. They will be directly associated with the control centers in their areas.

Although there is only a remote possibility of a gas attack in this country every precaution is being taken to safeguard against such an eventuality.

County Civilian Defense authorities are anxious that each borough be represented by two persons at the course in order that the entire county will be properly safeguarded. The instructions will begin at 7:30 o'clock on the dates mentioned above.

CARDINAL GIRL SCOUTS GIVEN PINS, BADGES

The Cardinal Girl Scouts of St. James Lutheran church held a "Parents' Night" program Monday evening with a large crowd of parents and friends present. The program was in charge of Mrs. Daniel Bergstresser, assisted by Mrs. Violet E. Hill.

A candlelight investiture service was held with Nina Williams, Nancy Butt, Joan Wolfe, Violet Schwartz and Patsy Whittinghill becoming new members and receiving their Girl Scout pins.

Second Class badges were given to Carolyn Bollinger, Jane Drach, Sandra Mumper, Patricia Stevens, Mildred Stover, Elaine Young, Nina Williams, Joan Wolfe, Nancy Butt, Jean Ann Williams and Violet Schwartz.

For the second time since the troop was organized over three years ago, a group of girls completed first class work. These girls—who were honored by receiving special pins and First Class badges were: Nancy Baker, Jane Oyer, Peggy Ridinger and Dolores Uhrich. The presentation was made by Mrs. Fred Uhrich. A curved bar, signifying additional Girl Scout work was presented to First Class Scout Jacqueline Sanders by Mrs. Mervin Bream.

Merit Badges

Additional merit badges were given to the following: Child Care, Betty Stotler and Jean Haehnlen; Stagecraft, Betty Jo Hill, Theresa Uhrich, Jackie Sanders, Coelia Bream and Nancy Shambrook; Clothing, Janet Enoch, Emma Scott.

Hold Services Today For Mrs. S. D. Weikert

Funeral services for Mrs. Samuel D. Weikert, 69, 230 Steinwehr avenue, who died at her home last Saturday afternoon from a complication of diseases, were held from the Bender funeral home this afternoon at 2 o'clock conducted by the Rev. Dr. W. F. Rex, Gettysburg, and the Rev. Dr. J. B. Baker, York. Interment in Evergreen cemetery.

The pallbearers were Kermit Deardorff, Charles Pfeffer, Hunter Harness, George Rosensteel, Samuel D. Weikert and Dewitt Hay.

The deceased was a member of the Ladies of the GAR.

Uncle Sam Takes over coal mines. This is the official order sent out from Wash- ington by Secretary of the Interior to 3,500 soft coal companies and 450 anthracite mines when the President ordered government possession.

United States Property! THE SECRETARY OF THE INTERIOR

Order for Taking Possession:

By virtue of the authority vested in me by the President of the United States, I hereby find from the available information that a strike or stoppage has occurred or is threatened in each of the following coal mines operated by the companies specified in Appendix A attached hereto, and therefore take possession of such mines including any and all real and personal property, franchises, rights, facilities, funds, and other assets used in connection with the operation of such mines and the distribution and sale of its products, for operation by the United States in furtherance of the protection of the war.

The president of each company (or in default thereof, the secretary or the manager of the company) is hereby notified that the United States has taken possession of the mines and that the distribution and sale of the products thereof is hereby suspended. All of the officers and employees of the company are hereby notified that the United States has taken possession of the mines and that the distribution and sale of the products thereof is hereby suspended. The United States will not be responsible for the loss of any property or for the loss of any business or for the loss of any income or for the loss of any other thing of value.

ELKS TO HOLD ANNUAL SERVICE MOTHERS' DAY

The annual Mother's Day observance of the Gettysburg Lodge No. 1045 of the Elks will be conducted Sunday evening at 8:30 o'clock in the lodge home on York street with the Rev. Dr. Dwight P. Putman, pastor of Christ Lutheran church and president of the Gettysburg Ministerium, as the guest speaker. It was announced today.

The opening ritual will be conducted by Exalted Ruler Herbert L. Oyer. Other lodge officers will assist him in conducting ritual ceremonies at other stages in the service.

Two vocal selections will be presented by Mrs. George H. Amick and Elmer E. Smith, Jr., member of the 55th College Training Detachment, United States Air Force, at Gettysburg college, also will sing two numbers. The accompanists will be Mrs. S. F. Snyder and Burton Terry.

Program Completed

A "Tribute to Mother" will be given by John W. Fox, esteemed leading knight of the lodge.

The complete program follows: Opening ritual by Exalted Ruler Herbert Oyer; vocal selection by Mrs. Amick; "A Tribute to Mother" by John Fox; ritual by lodge officers, exalted ruler and esquire; address by the Rev. Dr. Putman; vocal selection by Elmer E. Smith, Jr.; ritual by exalted ruler, esteemed leading knight and esteemed loyal knight; selection by Mrs. Amick; ritual by the exalted ruler and the esteemed leading knight; vocal selection by Elmer Smith; closing ritual by exalted ruler and chaplain, and the benediction by the Rev. Dr. Putman.

Arrangements for the annual service are in the hands of this committee: John W. Brehm, chairman; George Bushman and Joseph E. Codori.

LEGION NAMES DELEGATES TO STATE CONFAB

Delegates to the state convention at Wilkes-Barre and a Memorial Day committee to place flags on the graves of veterans were selected at Monday night's meeting of the Al-bert J. Lentz post of the American Legion.

Commander C. Arthur Brame, H. E. Smiley and Paul Spangler were elected as delegates to the state convention to be held August 15, 16 and 17. Wilbur A. Geiselman, E. A. Moser and Joseph E. Smith were named as alternates.

Joseph E. Smith was elected general chairman of the Memorial Day committee, with men named for various cemeteries in the county including: Joseph Heisey, York Springs; E. B. Hartzell, Fairfield; Guy Hoke, Abbottstown; John R. Hamm, New Oxford, and Howard Strausbaugh, Vincent. Florence, Lawrence M. Sheads, Wilbur J. Stallsmith, and Wilbur Geiselman, Gettysburg area.

Buy Ninth Bond

Lawrence Sheads was named temporary chairman of the Drum corps committee.

It was announced that membership so far is 238, only 11 less than the total for last year and 14 ahead of the number of members at the same date last year.

The Legion purchased its ninth \$100 war bond. Forty members attended the session, with Commander Brame presiding.

Wisconsin Woman Gives Address On Gettysburg; Got Data From Books Presented To Son Here

Gettysburg was well publicized at a woman's club meeting in a Wisconsin city recently. And it all came about in this way:

The Gettysburg Times recently presented each member of the 55th College Training Detachment, Army Air corps, with a copy of the "Human Interest Stories of the Three-Days' Battle of Gettysburg" and "Gettysburg Sketches," book of illustrations of the highlights of the battles here.

Practically every member of the local unit sent his books home.

The mother of one of the boys read the books and later attended her woman's club meeting.

For some unexplained reason a scheduled speaker failed to put in her appearance and the mother of the boy on duty here was called upon to substitute as a speaker.

Without hesitating she started to speak on "Gettysburg" and the battles here. She gave a very enlightening and interesting address and was highly complimented by her club members. They marveled at her knowledge of details of the battles here and this historic country.

She then informed her associates that she had gathered all her information from the two booklets her son had sent her from Gettysburg.

C. C. LAUNCHES MEMBERSHIP DRIVE FRIDAY

The Chamber of Commerce Monday evening set in motion a membership campaign that will either "make or break" the organization, according to Chamber officials.

A 21-man committee, divided into 11 teams will start the rounds of the more than 200 possible members for the Chamber Friday morning to find out how many can be secured, and to find out, if a person refuses to join, just what his reason is for not being a member.

President Mares Sherman pointed out at a recent membership meeting that the organization cannot continue with only 36 members and that "more members have to be secured in the present drive if the group is to continue to be of service to the community."

The teams were instructed Monday night to ask each person on their lists who will not join for reasons why they will not become members. Those reasons will be correlated and the Chamber will attempt to remove the reason for the complaint.

List 11 Teams

The members present for the combined session of the membership committee and board of directors held in the Chamber offices, Baltimore street, were in agreement with "finding out what's wrong with the organization—if there is something wrong—and doing away with the cause of complaints," as one member put it. The session was one of the best attended since the Chamber was reorganized.

The teams to canvass the townspeople for members were announced by Membership Chairman Ralph Z. Oyer as: R. Z. Oyer and Radford Lippy, Mares Sherman and A. E. Hutchison, R. P. Funkhouser and Paul Kinsey, Edmund W. Thomas and J. I. Burgoon, William A. Beales and Sydney J. Poppy, Vernon Corle and Henry Garvin, Joseph E. Codori and C. O. Schweizer, Dr. J. Walter Coleman and Robert E. Berkheimer, Robert M. Lewis and Dr. Frederick Tilberg, George M. Zerling and J. Milton Bender and Edward Trimmer.

Letters were sent to most of the prospective members today.

Forms Business Contacts

The letter said in part:

"Knowing that you are interested in developing the town that gives you and your family a living, we are taking the liberty of asking you to support the Gettysburg Chamber of Commerce."

"Would you want to live and do business in a town the size of Gettysburg, in which there was not an active Chamber of Commerce? Do you realize that one of the first contacts strangers, especially business men, make when coming to Gettysburg is the Chamber of Commerce? What would they think of Gettysburg if they were told the (Please Turn to Page 2)

Rotarians Hear Hanover Pastor

The Rev. Nevin Smith, Hanover, spoke on "The Responsibilities of Parents and Adults to Youth," at the sons' and daughters' night program of the local Rotary club Monday at the YWCA.

Forty-three persons were present including 29 members, two guests and 12 youngsters. The program was held in connection with National Boys' and Girls' week. President Paul Kinsey presided.

THREE CHARGES FOLLOW CRASH

Charges were laid against three county youths Monday night as a result of a three-car collision early Sunday morning at the intersection of Wainwright and Locust avenues, near the high school building.

Robert H. King, Gettysburg R. 4, was charged with failure to signal when about to make a left turn. Ellwood M. Miller, Biglerville R. 1, was charged with driving too close and Harvey A. Miller, Gettysburg R. 1, was charged with driving too fast for conditions.

The three informations were laid by Borough Officer Charles W. Culp, Jr., before Justice of the Peace Robert P. Snyder.

Details of Crash

According to Officer Culp, who investigated the accident, 11 youths from the Biglerville-Huntertown sections ranging between 14 and 18, had been riding in three cars going north of Wainwright avenue. King, in the lead of the three cars, attempted to turn left into Locust avenue. Ellwood Miller crashed into the rear of King's car and then Harvey Miller's car crashed into the rear of the Ellwood Miller car. The auto driven by Harvey Miller was owned by James W. Miller, Gettysburg R. 4, now in the U. S. Army. Damage to the Harvey Miller vehicle was \$300, to the Ellwood Miller car, \$150, while only slight damage was done to the King machine, the policeman said.

Two youths were injured in the accident. Gerald Little, Gettysburg R. 4, riding in the Harvey Miller machine, had his thumb torn out of a splint placed on it after a previous fracture. Donald Miller, riding in Ellwood Miller's car, suffered an injury to his nose. Both were treated at the Warner hospital.

Ten-day notices were sent on all charges.

Door-to-Door Check

Dog Law Officer Oakes and Borough Officer Lloyd Wisler toured the town during the past week, it was revealed today, to visit homes where dogs may be found in order to see that all were licensed.

The investigation, with borough officers assisting the dog law enforcement officer, was brought about by complaints of a number of residents that dogs were destroying their victory gardens, it was stated. A warning was issued several weeks ago by Burgess Fred G. Pfeffer that dogs are not allowed to run at large and that all must be licensed and kept on a leash when out-of-doors.

The investigation was made by door-to-door check after the warning, it was said.

Historians Meet This Evening

The May meeting of the Adams county Historical society will be held this evening at 8 o'clock in the court house when an open forum discussion will be conducted on the subject of "Early Towns of Adams County." Three early plans for the borough of Gettysburg will be on display.

Dr. Robert Fortenbaugh, society president, will preside. A business session will precede the program.

Yanks Chase Fleeing Nazis In Tunisia On Road To Naval Base

By WILLIAM B. KING

Allied Headquarters in North Africa, April 4 (AP)—Swift-driving American troops, quick to capitalize on their middle position after the seizure of Mateur, pounded forward hard today on the heels of retreating Germans toward Ferryville, which is 10 miles to the northeast of the dock area of the Naval base of Bizerte.

At the same time other forces fanned out toward the southeast and smashed to a point eight miles south of Mateur toward the line of the Tine river, only six miles northwest of Tebourba, the gateway to Tunis.

After advancing about 10 miles the Americans were only 10 miles from Tebourba.

Ferryville Under Fire

(The British radio, in a broadcast recorded by CBS, said "long range Allied guns now have Ferryville under fire and several Axis airfields in the area have now been made untenable by shellfire." Ferryville, on the southwest shore of Lake Bizerte, is about eight miles from the Naval base which is situated on the northeast shore. The broadcast said the Americans had "come up against a new line of resistance" in the advance on Ferryville.)

In the northeastward push, the Americans crossed the river Tine, despite the destruction of a bridge by the withdrawing forces of Col. Gen. Jurgen Von Arnim, and shoved on toward Ferryville.

The southern prong of the American offensive drove up the direct road from Beja to Mateur, then turned south and east toward the Tine river.

21 PAY FINES ON UNLICENSED DOG CHARGES

Twenty-six local residents have been charged with harboring unlicensed dogs. The charges were laid by H. E. Oakes, dog law investigator of York and Adams county. All of the charges were filed with Justice of the Peace John Bashore.

All but five of the cases have been settled, with 21 residents pleading guilty to the charge and paying fines of \$5 and costs of \$3. Hearings will be held this afternoon and evening before "Squire Bashore on the other five charges."

A hearing was scheduled to be held at 2 o'clock this afternoon on the dog law violation charge against J. Donald Swope, Esq., 49 West Broadway. At 7:30 o'clock this evening similar hearings will be held on charges against Paul L. Evans, 308 North Stratton street; Beatrice Sponsler, 159 East Middle street; Elmer Warren, 244 East Middle street and John Aughinbaugh, 256 Middle street.

Pay Fines And Costs

Those who have already paid fines and costs on charges of harboring unlicensed dogs include Charles Bender, 45 Broadway; Dr. Walter S. Mountain, 30 West Broadway; Elmer Turner, Barlow street; Roy Zinn, Hanover street; Maude Weddie, Railroad street; Ivan Breighner, 19 South Fourth street; Clarence E. Williams, 25 North Stratton street; George McKenrick, 148 North Stratton street; C. Lloyd Palmer, 140 East Water street; Daniel P. Kime, 324 Hanover street; J. D. Munshorn, 370 East Middle street; Carrie Miller, Fourth and Railroad streets; Samuel Catherman, 40 North Stratton street; John Anzengruber, Railroad street; Fannie Hurst, 339 Carlisle street; Dr. C. H. Heldt, 305 North Stratton street; Clarence Steinhour, 23 Mummansburg street; Samuel Weiser, 109 East Lincoln avenue; Leon Altland, 14 South Fourth street, and Levi Cook, Railroad street.

Yanks Occupy Russell Isles

Washington, May 4 (AP) — American forces extending their hold on the Solomon islands, have occupied the Russell islands which lie immediately north-west of Guadalcanal, the Navy reported today.

The Russell group, which includes two main islands, lies only 18 miles from the northwestern tip of American Occupied Guadalcanal at its nearest point. The group is less than 100 miles from points in the central Solomons, such as Viru harbor and Rekata bay, from which the Japanese are known to have operated.

Navy spokesmen declined comment on the operation, which was carried out in February after enemy resistance ceased on Guadalcanal, but presumably the Russell bases serve as outposts for American positions on that occupied island.

Ickes Orders Six-Day Week In Coal Pits

Washington, May 4 (AP)—Fuels Administrator Ickes today ordered a six-day week throughout the coal mining industry as work generally was resumed after a week-end strike crisis.

The order was telegraphed to approximately 3,850 mine operators now running their properties as agents for the government.

Ickes said mines failing to operate six days weekly would suffer cancellation of the price ceiling increases granted them by the Office of Price Administration to cover the added costs of overtime pay.

Ickes' order to mine operators went out as the first day of a two-week temporary truce found the miners busily digging the war vital fuel with Uncle Sam as their new boss. The fuel administrator's directive said:

"Since maximum prices have recently been increased by the Office of Price Administration to permit operations of mines on a six-day week work basis you are to afford miners an opportunity to work six days each week and are to operate mines under your charge on that basis and to pay time and one-half or rate and one-half for sixth day of work as heretofore agreed upon by collective bargaining and previously cleared by War Labor Board."

"The government is relying upon you and all miner employees to exercise utmost effort in maintaining and increasing production of coal so vital to the winning of the war."

Taylors Occupy Bendersville Home

Attorney and Mrs. Leighton C. Taylor, of Washington, have moved to Bendersville where they are now occupying their newly built residence.

Mr. Taylor, a former resident of Bendersville, was secretary to the late Senator Boise Penrose for many years. He also was secretary to Joseph P. Grundy when the latter served in the United States Senate.

For many years Mr. Taylor has been practicing law in Washington. He has, however, always maintained his legal voting residence in Bendersville.

Ten years ago he was the Republican nominee for Congress from this district.

USO Directors Meet Tonight

Officers of the newly reorganized county USO will be named this evening at a meeting to be held at 8 o'clock in Christ Lutheran church, Dean W. E. Tilberg, acting chairman, has announced.

The new officers will be named by the 12 directors of the USO selected last week and all members of the USO present for this evening's session.

Radio Service, Baker's Battery Service.

An airfield was the target for medium bombers that laid their missiles among Axis aircraft nestled on the ground, and fighter-bombers started fires on jetties along the Tunisian coast, while fighter planes patrolled and strafed the battle area in offensive sweeps throughout the day, headquarters said.

The Allied air forces lost a total of eight planes in the operations, it was announced.

Spectacular Victory

A spectacular victory by American troops won Mateur after they had taken German mountain strongholds guarding its path, forcing the Germans to fall east of that Tunisian crossroads city.

(The Italian communique, recorded in London from a Rome broadcast, admitted that Axis troops had evacuated the "locality of Mateur" and said there was "lively artillery and patrol activity" along the whole front.)

(The communique claimed the sinking of an Allied submarine and the capture of its commander, five officers and 41 crew members.)

(The German asserted they had yielded Mateur to the Americans "without fighting," withdrawing after destroying war-important plants.)

(The assertion, contained in the communique broadcast by the Berlin radio and recorded by The Associated Press, was made in this language:

Nazis' Story

"On the Tunisian front no major operations took place. In the course of planned movements, our troops, first unnoticed by the enemy, moved into new and more favorable positions in the northern sector."

"Hereby the city of Mateur, after the destruction of war-important plants, was left to the opponent without fighting."

(The German language was similar in tone to the type of German communique issued after smashing winter defeats in Russia, when the Nazis regularly asserted they had withdrawn according to planned operations, to "shorten the lines.")

Lions Are Shown Motion Pictures

Members of the Gettysburg Lions club were shown four reels of sound pictures at their weekly dinner session, Monday evening at Mrs. Smith's restaurant, by D. E. Hess, who arranged the program. One reel in natural color showed the part of the lumber industry in the war effort. A second showed the western cattle industry and the two others depicted the development of agriculture in England during the war.

President William A. Beales presided at the meeting with about 25 members and guests in attendance.

YANKEE PUNCH PUNCTURED FOE IN NORTH AFRICA

By DEWITT MACKENZIE

The American capture of Mateur, key communication center of the Axis last-stand defenses in Tunisia, has set the whole northern part of the long enemy line to rocking—and our advance was officially stated to be continuing today.

This may easily lead to the isolation of the great Naval base of Bizerte, only eighteen miles to the northeast of Mateur. It may enable us to drive a wedge between the enemy forces of the north and south.

Some days ago I suggested that the Axis defenses were likely to crack suddenly from the pressure of the five major Allied attacks which were being made against the great arc of fortified mountains guarding the plains before Bizerte and Tunis. These thrusts were compared to the fingers of a hand squeezing a toy balloon. Sooner or later one of those fingers would press so hard as to explode it.

10-Days Battle

Well, the American victory at Mateur may be the finger to explode the balloon.

The Allied high command in reporting the operation says that "after ten days of relentless pressure and much heavy fighting, American troops have forced the enemy in the northern sector to evacuate all his forward positions."

That's the way it looks to the military mind. We folk back home, who are entitled to our little moments of prideful emotion, can get a thrill from the knowledge that the "ten days of relentless pressure" represented bloody slogging against a determined enemy in his strong positions among the craggy heights. It meant swarming up the rocky hills in the face of heavy direct fire. It meant in many instances the capture of positions at the point of the bayonet.

Those are the boys—who by the way and apropos of nothing—who are dependent on our unceasing support at home. "Ten days of relentless pressure"—often without food or rest—wary and maybe hurt—driving up hill after hill in a storm of bullets and bursting shell.

Strategic Point

Mateur is the strategic railway center which has linked Bizerte with the rest of Tunisia, including its sister port of Tunis to the south. The American operation is calculated to cause all the Axis forces between Mateur and the sea to the north to make a quick withdrawal to Bizerte, while the enemy on the south falls back towards Tunis.

The way things are going it looks as though Bizerte would shortly be isolated and come under siege. Not only are the Americans continuing their advance but there is a Franco-American force on the coast north of Mateur driving along the shore towards Bizerte.

Bizerte is one of the great Naval ports of the world, ranking next to Toulon among French bases. It also has a big air field which will be an asset to the Allies, once Tunisia is in the sack.

Hard To Crack

This fortified port may be a tough nut to crack. The French spent huge sums of money in developing it and making it one of the strongest Naval bases in the world. Because of its strategic position and its extensive fortifications it is known as the Gibraltar of France.

Bizerte has a trio of harbors. Behind the outer harbor is the Bay of Scaura, the two being connected by a canal. The bay opens into Bizerte lake, a body of water fifty miles square and deep enough to provide anchorage for a vast fleet, including battleships. The port is equipped with all the facilities of a Naval base, including arsenal, barracks and hospitals.

Donald W. Beitler On Short Leave

Donald W. Beitler, pharmacist mate first class, U. S. N., is spending a short leave with his father, O. W. Beitler, Gettysburg.

Beitler spent two and a half years in China, the Philippines and Guam and served for 15 months on the hospital staff on Guam. On December 10, 1941, he started making trips from San Francisco to Honolulu to evacuate wounded and women from the war zone. Since January he has been doing recruiting duty at Philadelphia. He will leave Wednesday for Boston, Massachusetts, for service on a minesweeper to assist in convoy duty.

Arrest "Strictly A Military Matter"

A soldier was taken into custody Monday evening at Mitchell's restaurant, borough police revealed today. The soldier was ordered to the county jail for investigation by a lieutenant said to be from Camp Ritchie, according to Officer Charles W. Culp, Jr.

The soldier was released this morning after questioning by two Army officers. When asked by a Gettysburg Times reporter as to the nature of the offense by the soldier they replied, "It is strictly a military matter."

NCCW HEARS LEWARS STORY

Mrs. Elsie Singmaster Lewars read an original story entitled "Mrs. Pillow," at the May meeting of the local council of the National Council of Catholic Women Monday evening in the social rooms of St. Francis Xavier Catholic school.

The story, concerning the efforts of a husband to purchase a \$50 war bond despite the misunderstanding of his wife as to what was to become of the money, was read following a short talk in which Mrs. Lewars outlined work of the Red Cross and recounted activities of First World war days when the Catholic school was a Red Cross center for the making of bandages.

The new officers of the NCCW, Miss Rosetta McKenrick, president; Miss Mary Ramer, vice president; Miss Kathryn Marsden, secretary; and Mrs. Dora Beall, treasurer, were installed. Miss McKenrick succeeds Mrs. J. Walter Coleman as president.

Miss Catherine Jacobs was named chairman of a USO committee to sponsor a dance for the local soldiers sometime in June. Other committee heads named included: Study club, Miss Rhoda Breighner; welfare, Miss Mary Eberhart; publicity, Mrs. J. Walter Coleman; ways and means, Mrs. C. E. Swisher; and hospitality, Miss Emily Brinkerhoff.

8 CRASHES, ONE FATAL, IN APRIL

Adams county's traffic record for the month of April was one of the best, from the standpoint of safety, in some time, members of the local detail of State Police said today.

The monthly recapitulation of their activities prepared under the direction of Corporal C. F. Temple, shows only eight accidents, one less than March. Five persons were injured in the accidents and one, John F. Herting, 75, Biglerville R. 2, was fatally injured.

Arrests jumped during the month, with the patrolmen making 38 arrests, ten more than in March. Few were for speeding, with most being infractions of some other part of the motor code.

Traveled 11,000 Miles

Traffic on the county's highways increased somewhat, the patrolmen said, over previous months. "A" card holders showed up mostly on Sundays, according to the officers. Week-days the highways were nearly deserted.

The motor patrolmen made one arrest on a criminal charge and made 265 patrols during which they stopped 596 vehicles. They traveled 11,000 miles and spent 864 hours on traffic duty, 2,000 hours on station duty.

The criminal investigation division of the sub-station made 15 investigations and 56 patrols during the month. It made no arrests.

BOARD ISSUES 56 NEW TIRES

War Price and Rationing Board No. 2611 in the Hotel Eberhart building announced today a list of 36 residents of western Adams county to whom a total of 56 Grade 1 tires were issued by the local board at their meeting on April 26.

The majority of the applicants received one tire each but in some instances two, three and four tires were issued to a single applicant. The list of persons granted tires at last week's meeting of the board follows:

J. P. Judy, Robert L. Miller, Lawrence M. Sheads, Wilbur M. Smith, William Lerew, Charles L. Day, Paul F. Gartensleben, William Vaughn, J. Cameron Thomas, J. I. Herster and Son, Carl L. Kane, Ira G. Fair, Earl D. Shealer, Edward R. Rinehart, P. H. Stoner, Carl Kepner, W. L. Baumgardner, Paul W. Little, E. J. Clapsaddle, Frank Abel, Wilford Spangler, Donald W. Little, B. C. Kump, Howard Toner, and Carl W. Kane.

YOUTH CRITICAL AFTER ACCIDENT

Charles Lawver, 15, Gettysburg R. 3, is in a serious condition at the Warner hospital as the result of an auto-bicycle collision Monday evening at 6:25 o'clock along the Mummansburg-Arendtsville road.

Lawver is suffering with puncture wounds of the back and abdomen and internal injuries.

Lawver was riding a bicycle north along the highway when he is reported to have cut across the road to the left and collided with a sedan being driven in the same direction by C. W. Hykes, Biglerville R. 2. The bicycle ran into the right side of the sedan.

Pvt. Anthony Martin, of the Gettysburg detail of state police, who investigated the accident, said no charges had been laid.

Cline, Lathmore township, a six acre property in Huntington township.

Mr. and Mrs. Cyrus G. Bucher and daughter, Sue, of Biglerville, spent the week-end at Shaffertown with Mr. Bucher's aunts, the Misses Kurtz. They were accompanied to Lebanon by Mrs. U. S. Kleinfelter and her granddaughter, Miss Barbara Kleinfelter, who visited Prof. and Mrs. Harvey S. Bolan.

Mr. and Mrs. Glenn Eaton, of Harrisburg, visited Mr. and Mrs. Clair B. Grim, of Table Rock, Sunday.

There will be no collection of salvage in Biglerville borough Wednesday at the time the collection is made throughout the adjoining territory. The drive Wednesday will be made by the P.P.A. boys of the high school. The collection in the borough has been postponed until Saturday, May 15, at which time the Biglerville Boy Scout troop will collect. All articles of salvage will be accepted Wednesday. The trucks will leave at 8:45 in the morning and return in time for the boys to leave for their homes on the regular school buses.

Lloyd W. Kleinfelter, chairman of the local committee, reports that approximately 1½ tons of tin cans and 3,700 pounds of paper were collected during the last drive.

Wounded Countian Gets Purple Heart

Sgt. John L. Lawrence, son of Mrs. Catherine M. Lawrence, New Oxford R. 2, seriously wounded in north Africa January 31, has been decorated with the Purple Heart Award, according to word received by Mrs. Lawrence. Sgt. Lawrence, who remains at a hospital at an undesignated base, continues to show satisfactory improvement, a War Department communication stated.

A letter from a nurse in the overseas hospital in which Sgt. Lawrence is a patient informed Mrs. Lawrence of the Purple Heart Award, which was presented Sunday, April 11. The nurse's letter described Sgt. Lawrence as "a grand patient, and so well liked by everybody."

PAST GRAND'S MEETING The Adams County Past Grand's association, IOOF, will meet with the York Springs Lodge as the host lodge on Thursday evening.

town did not have a Chamber of Commerce?

"Don't you feel that you owe Gettysburg the small amount of \$25, which pays your Chamber of Commerce dues for one full year? For this small investment, for it is exactly that, in your Chamber of Commerce you have your fellow business and professional men working for and with you. No one in the Chamber can work for himself without helping you.

To Report on Monday "When you join the Chamber of Commerce you have a pro-rata share in fixing the policies and what you want the Chamber to do. It is then just as much your business as your own personal business. After all, we all have the same problems and if we work together in the Chamber of Commerce to improve conditions in Gettysburg as a whole we are bound to profit individually.

"The officers and directors are men exactly like yourself. They have no more to gain or lose in Gettysburg than you have. In addition to paying the same dues that you are asked to pay, they give freely of their time and efforts without one cent of remuneration and in some cases spend their own money in behalf of the Chamber of Commerce."

The membership committee will start its drive Friday morning and will meet again next Monday to go over the results of the drive to that date. It is expected that the drive will be ended early next week.

The membership meeting was held following a short meeting of the board of directors at which President Sherman presided.

Check Rumors Again

A report was presented on investigations made by the Chamber as a result of numerous rumors that an Army airport is to be located in the Bonneville-Littlestown area of the county. Long distance phone calls and letters to Stone and Webster, Boston construction concern, which was supposed to have the contract determined that the Stone and Webster company knows nothing of any proposed airport.

A check with Army-officials disclosed that there are no plans to build an airport here unless there is a threat of invasion of American shores. Army officials said that a site in Adams county and similar sites in a number of sections of the country have been surveyed by the Army engineers and all paper work has been completed so that an airfield can be constructed immediately if there is ever any danger of invasion. If there is no danger, the airports will never be built, it was stated.

Chairman Ralph Z. Oyler presided at the membership meeting.

Accuse Man Of Killing Animals

Hartman, Stockham, Reading township, posted a \$1,000 bond Monday night to appear at a hearing before Justice of the Peace John Basehore May 18 at 4 p. m. on a charge of "maliciously killing two domestic animals and maiming another."

The charges were brought by Clark Brown, New Oxford, who alleges that Stockham killed two fox hounds and injured another when the hounds, owned by Brown, were hunting foxes in Reading township.

Stockham was arrested Monday by Chief of Police Glenn Guise and Sheriff Daniel J. Wolf on a warrant and posted the bond to appear for the hearing.

The current issue of the Lions International Monthly Letter shows that the Lions club at Littlestown ranks second of all the clubs in District 14-C in the International Membership contest. Waynesboro leads the district.

Janet L. Sentz, Taneytown; James Metz, Orrtanna, and Amanda Walker, Gettysburg, have been admitted as patients to the Warner hospital. Mrs. Paul Eck, Fairfield, has been discharged.

Phillies Lead Major Leagues In Shifting Players To Various Posts On Team

REDS CAPTURE FIRST MORNING SESSION 7 TO 5

By JUDSON BAILEY
Associated Press Sports Writer

The most valuable player competition in the major leagues this year could very well be styled the most versatile player awards.

War-time manpower shortages are causing managers to transplant their players from one position to another faster than most people can get the onion sets started in their Victory gardens and if the spring shuffling is only the beginning, a fan must wonder how his favorite pitcher will do at shortstop in the fall.

Rowe as Hitter

The Phillies, with a pathetically small roster, are doing the most shifting of jobs and doubling up at two or more positions. Last week they brought Outfielder Jim Waddell from Pittsburgh and made him their regular first baseman, moving Babe Dahlgren from that spot to shortstop. They have Schoolboy Rowe pinchhitting in almost every game in which he isn't pitching and they frequently have had three or four players swap positions during the course of a ball game.

Other clubs are doing it too. The New York Yankees moved Pitcher Johnny Lindell to first base and then to the outfield in spring training and the Brooklyn Dodgers switched Billy Herman from second to third.

But one of the prize swaps of the season was made yesterday by that indefatigable inventor, Frank Edson Frisch, who installed Catcher Al Lopez at third base for the Pittsburgh Pirates.

Lopez has been one of the best backstops in the National League for many years, but his previous experience at the hot corner was limited to about five games in an emergency with the Dodgers a decade ago. A few fans still remember him stopping balls with his chest, a la Pepper Martin.

Win Morning Game

By putting Lopez on third Frisch was able to give a try at shortstop to Bob Elliott, who only year before last was an outfielder. The result of the newest experiment was that both Lopez and Elliott made an error yesterday and Cincinnati capped the major leagues' first morning game 7-5.

A crowd of 2,958 was on hand for the contest at 11:30 a. m. (EWT) in Crosley field and the Reds general manager, Warren Giles, called his experiment a success. The fans thought so, too, for they saw the usually weak-hitting Reds make 17 safeties off four Pirate pitchers.

Having inaugurated morning games the Reds are now ready to lift the lid on night baseball for the season, too, with a floodlighted fray carded against the Pirates tomorrow night.

Only one other game was played in the majors yesterday and in this the Dodgers downed the Phillies again 5-3. Kirby Higbe made his second start and first finish of the year while holding the tallenders to seven hits. Brooklyn made a dozen, three by Dolph Camilli and two, a double and a triple for two runs, by Alex Kampouris.

SPORTS ROUNDUP

By HUGH FULLERTON, JR.

New York, May 4 (AP)—Every one of the sports writers who participated in a poll conducted by the North Carolina Navy Pre-Flight school picked football as one of the ten best sports for physical development.

That's just about what the Navy had decided in advance, judging from the year-round grid programs at these schools, but its rather surprising not to find water polo somewhere on the list.

That's a form of mayhem practiced down at the bottom of a swimming pool where the referee can't see what's going on and it's practically a "toughness" program all by itself.

Only drawback is that it might not leave the boys in shape for flying. . . . The scribes rated track the No. 2 sport with boxing and swimming tied for third.

BIRDS OF A FEATHER

Jimmy Johnston, reporting on his new bantam weight fighter, Ham Wiloby, modestly claims the boy has possibilities of becoming a greater fighter than three great little men who performed under the Johnston banner, Jim Driscoll, Owen Moran and Johnny Dundee (they're not in position to talk back).

"You know," Jimmy confesses, "I've never seen Wiloby fight—but what the hell, Shakespeare never saw all the things he wrote about either."

ONE-MINUTE SPORTS PAGE

Frank (Bruiser) Kinard, the football Dodgers all-league tackle, has moved from his Mississippi home-stand to take a defense job in Brooklyn. He'll be named the Dodgers line coach as soon as Capt. Dan Topping gets around to making the announcement.

The Swedish newspaperman travel with Gunder Haegg when he comes here late this month to act as Haegg's manager but AAU officials turned thumbs down. . . . Clark Griffith recently declined a \$1,500 offer for an ad on the big centerfield signboard in the Washington ball park and then gave the space to the Treasury department for a war bond sign. . . . Don Han-ski, White Sox rookie pitcher, is a cousin of Eddie Hanyzewski of the Cubs. . . . Don shortened his name because he thought it would be more handy to be Hanski.

TODAY'S GUEST STAR

Stanley Frank, New York Post: "We've heard of horses that were more intelligent and better bred than the owners, but the Derby was unique for Burnt Cork, an animal funnier than 'Rochester,' its owner."

SERVICE DEPT.

Joe Hennessy, outdoor writer for the St. Paul, Minnesota, Dispatch-Pioneer Press, who left for the Army recently was the ninth contribution the papers' sports staff has made to the armed forces since Pearl Harbor. . . . George Chapapas, a McAllen, Texas, business man who formerly promoted boxing and wrestling, sold all his ring equipment, from ropes to lighting fixtures, to Moore Field for \$1, then endorsed the check over to the athletic and recreation fund. . . . When the Army Special Services school at Washington and Lee university played the college baseball team the other day, E. P. "Cy" Twombly, W&L athletic director, was billed to pitch for the soldiers. He worked one inning, fanned a man and then retired. . . . Pete Tinsley, who arrived at Green Bay by way of the hills of South Carolina and the University of Georgia, writes Coach Curley Lambeau of the Packers: "Being in the Army is just like playing for the Packers. They make me wear shoes here, too."

FLEET HAS NEW MARK TO BEAT IN PREAKNESS

By DONALD SANDERS

Baltimore, May 4 (AP)—Count Fleet has a brand new track record to shoot at in the 53rd running of the Preakness Stakes Saturday, but it looked today as though he'd have to run his own race to come close to it.

Mrs. John Hertz' Racer showed a definite fondness for the Pimlico oval last fall when he set a new state record and equalled the track standard in the Pimlico Futurity, but there doesn't appear to be a colt in sight capable of chasing him to a new mark in the Preakness.

The big brown son of Reigh Count, which carried Mrs. Hertz' colors to victory in the Kentucky Derby last Saturday, likely will be opposed by no more than three or four colts in the \$50,000-added second leg of the triple crown.

The only competitors in sight who, on the basis of past performance, might be expected to stay in the race with the Hertz hurricane are Blue Swords, second in the derby, and W. L. Brann's Vincennes.

Harold Clark's Riverland established a Pimlico mark for the mile and three-sixteenths—the Preakness distance—on Saturday when he won the Dixie Handicap in 1:56.2-5. That is three-fifths of a second under the Preakness record set last year by Alsab.

SPORT SHORTS

Baltimore, May 4 (AP)—All 11 thoroughbreds of the Glenn Riddle string now quartered at Pimlico are either sons or daughters of Man O'War, famed Riddle charger of two decades ago. War Relic is regarded as the top horse in the group.

Chicago, May 4 (AP)—Manager Billy Southworth of the St. Louis Cardinals was elated with the news today that Mort Cooper, his ace pitcher, is suffering only from a minor arm strain and the club's physician did not consider the trouble serious.

"I thought possibly Mort might have had a recurrence of the trouble which necessitated an elbow operation in 1941," Southworth said. "It's still doubtful, however, as to his ability to immediately take his turn on the mound."

Houston, Tex., May 4 (AP)—If Bill Cummins were only twins. . . . In that event Rice could just use the Cummins boys and let the other

Galan Out On Attempted Double Play

Augie Galan (24) of the Brooklyn Dodgers is forced out at second on Arky Vaughan's hit to Pitcher Harry Feldman, in the third inning of the first game of a double header. Feldman threw to Billy Jurgas, Giants shortstop. Here Jurgas takes to the air to whip the ball to first in an unsuccessful double-play attempt. Second baseman Mickey Witke backs up the play as Empire Tom Dunn crouches in the foreground. The Dodgers won the first game, 3 to 2, and the Giants copped the second, 2 to 1. The double header was played at the Polo Grounds, New York.

ASKS PROBE OF STATE PROBERS

Harrisburg, May 4 (AP)—Action by the Attorney General to recover a \$3,000 appropriation made in 1941 for a legislative inquiry into WPA sewing projects is recommended in a report of a special House investigating committee which charged Rep. William A. Shaw (D.-Allegheny) with mishandling the funds.

The five-member committee made public a letter from Shaw, who has been absent since the session opened, reporting \$450 went to former Rep. Paul D'Ortona, Philadelphia, as secretary of the 1941 committee and the balance to Shaw as chairman at the rate of \$15 a day for 172 days.

The report claimed Shaw and members of the track squad enjoy the Southwest conference meet here Saturday from grandstand seats.

Bill has mapped this schedule: High hurdles, low hurdles, 100-yard dash, 440-yard relay, pole vault, broad jump, high jump.

Seek Exemption On Stock Taxes

Harrisburg, May 4 (AP)—The House set up for a final vote today a bill exempting Pennsylvania Agricultural cooperative associations from county and state taxes on stock.

A motion to recommit the bill to committee, which would have "pickled" the measure for the session, was defeated 112 to 62 after a long debate.

The bill followed "a study of prominent farmers to improve the cooperative law," declared Rep. John E. Van Alsborg (R-Erie), who

D'Ortona was not entitled to compensation beyond their salaries and mileage as assemblymen while the 1941 legislature was in session. It also asserted Shaw's payments to himself included 102 days after the session adjourned. Shaw's letter said the dispute was not settled until December, 1941, six months after final adjournment.

LOOKING AROUND

Jeb Stewart, Mechanicsburg high football, basketball and baseball star, has been accepted by the Army following a physical examination on Saturday. Stewart, six-foot, six-inch junior at Mechanicsburg, topped the scorers in the Southern Pennsylvania Basketball league for the last two years.

Dick Walker, a graduate of Gettysburg high school and head athletic coach at Danville high school, resigned Monday as coach at Danville high to accept an ensign's commission in the Naval Reserve. Walker starred in football and track for the Bullets. He has coached basketball at Danville since 1940 and became head football coach at the end of the last football season.

Pyts. Joe Cervino and Daisy, former Gettysburg college students, are playing for an Army nine in the Carolinas. To date the team has won six games after losing its first engagement. Daisy has hurled in all the games and has a record of two wins and one loss.

Waynesboro high is still looking for an athletic coach following the resignation some time ago of Ben Pollock. George Forney, Gettysburg high coach, is reported to have had the inside track on the \$2,700 a year post but his expected call to the armed forces and the fact that Waynesboro wants an older man has eliminated the Maroon mentor. Don Enders, Camp Hill high coach and a graduate of Gettysburg college, and Johnny Frederick, Mechanicsburg high mentor, were also considered for the post but are now believed to have been shelved.

CLIPPER SMITH JOINS MARINES

Villanova, Pa., May 4 (AP)—Maurice (Clipper) Smith, Villanova football coach since 1936 and the watch charm guard of Knute Rockne's 1929 Notre Dame football team, awaited commissioning today as a captain in the U. S. Marine Corps.

The 45-year-old veteran grid tutor, who succeeded Harry Stuhldreher when the latter went to Wisconsin, has been granted a leave of absence at Villanova for the duration.

He will be succeeded in physical education duties at Villanova by Vince McNally, his assistant. A college spokesman said, however, it was doubtful whether Villanova would have a football team this fall.

Following graduation from Notre Dame in 1921, Smith became head coach at Columbia college, Portland, Ore., and left in 1925 to coach at Gonzaga university, Spokane, Wash. In 1928 he was appointed head coach at Santa Clara where he remained until he replaced Stuhldreher.

"Hooks" Mylin Plans To Enter Service

Easton, Pa., May 4 (AP)—Lafayette college announced today that Edward E. (Hook) Mylin, football coach since 1937, has been granted a leave of absence for the duration, at his own request.

Mylin, a captain in World War I, expects to enter the armed services again.

SAFE SERVICE

I've never wakened as they do
To dwell with danger all day through.

I've never wakened as they must
To rifle fire and bayonet thrust.
When spring has come my happier lot
Has been to view a garden plot.

When I have flung my curtains up
I've looked on phlox and buttercup.
Instead of gunfire I have heard
The sweet, enraptured song of bird.
The spring, in spite of grief and care,
Has scattered beauty everywhere.

Now far away, on land and sea,
Those boys who fight for liberty
At morning wake once more to know
That round about them lurks the foe.
Through flap of tent or porthole barred
They look upon a world war-scarred.

Now spring has come and here I stay
Amid the loveliness of May.
While all our braver young will wake
To look on horrors war must make
And all that soldiers must behold,
I'll wake again to marigold.

Today's Talk

By George Matthew Adams

TIME AND SPACE

Here is an interesting quotation which I have culled from my reading: "Time is but the space between our memories." This came to me forcibly after a talk with an old friend, when we reviewed the many happy memories of long ago—in years, and yet not so long when the memories were pieced together.

Memories can be kept fresh just like a flower garden. And if you keep them close together, stringing them like a strand of pearls, they keep warming and refreshing you, and the years become mere links to completeness.

We often hear folks greeting others with the remark that Time has been good to them. But it isn't Time that has done the job, but the person himself, or herself. Time will do a grand job if you treat it kindly. The noted Dr. John Harvey Kellogg of Battle Creek sanitarium fame, is now past his ninetieth year—yet he is making plans far ahead! Time has always been of the essence of achievement to him. Mr. Henry Ford recently celebrated his 55th wedding anniversary and soon will enter his 81st year, but every day is a day of work and planning ahead for him.

I think that we pay too much attention to the passing of Time and not enough to the choice opportunities between, and of the welding of our memories so as to give to all our interests much of that vitality which makes of life such a happy and worthwhile adventure.

It is indicative of a fine physical make-up of the one who says: "It seems but yesterday." When I hear such a statement, it convinces me that the one who says it, keeps his or her events in close together, weaving life's activities into a well planned pattern.

The less we think of Time, as a mere thing of reckoning, the closer are we knitted into the loom of all Time. Our little space here then becomes but the shadow of an eternity, and each regret is melted away like the light snow under a warm sun.

This Time that we sometimes speak of, in such a careless manner, is really the substance out of which we mold all that we are as individuals, even though it is but an invisible substance. And no one has any more of it than anyone else. But many make more of it!

Tomorrow Mr. Adams will talk on the subject: "Others."

On a wager, "Buffalo Bill" Cody once killed 33 buffalo in a day.

FIFTY YEARS AGO

Mr. Chas. M. Young has returned from Philadelphia and will continue his classes in drawing and painting. He will also teach an out door sketching class during the summer. For particulars call at Studio in "Star and Sentinel" building.

Local Items: G. J. Maloof, of Damascus, talked in St. James church on Wednesday evening, of mission-work in his native city.

The Adams County Agricultural association convened at Arendtsville on the evening of April 28th. President Eli P. Garretson called the meeting to order. Prof. S. B. Heiges, of York, delivered an interesting lecture on "Geological and Chemical Characteristics of Soils."

Prof. J. H. Thoman was on Tuesday morning re-elected county superintendent of schools. He received 144 votes. J. Louis Sowers had 17 votes.

Death's Doings: Mrs. Harriet B. Krauth died on Thursday morning in the 84th year of her age. She was born in Gettysburg in 1810. Her father was John Brown, Esq., long deceased, a gentleman of prominence in the community. Her husband, Rev. Charles Philip Krauth, D.D., was the first president of Pennsylvania college and for many years also a professor of the Theological seminary. He died in 1876. Mrs. Krauth left one daughter and two grand-daughters, the latter the children of her son, who died in 1890.

Charles S. Wolf, the oldest living son of the Rev. Dr. and Mrs. E. J. Wolf died on Tuesday morning after a brief illness from brain fever. About three o'clock Sunday morning he waked up delirious and with a high fever. From that time to his death he never regained complete consciousness. He was a senior in college and was the youngest member in his class.

Peter Mickey, of Cashtown, who had reached the great age of 95 years, died on Monday of last week. His brother is living in Franklin county, aged 98 years.

Sanders-Myers. April 25, at Green Mount, by Rev. W. J. D. Scherer, Robert F. Sanders to Mary J. Myers, both of Hamiltonban township.

Sales: Christian Gephart has purchased the hotel property in Bonneauville for \$1,850.

J. A. Tawney has sold part of the lot, recently bought from Mrs. S. J. Diller, to David McCleary, the part with hay shed buildings to Hanson Lightner, and the building lots on Washington and Water streets to Martin Winter. The building lots will be shaped up for the erection of buildings.

College Matters: The catalogue for 1893 was issued on Friday. The number of students now at Gettysburg are: Post graduates, 12; seniors, 50; juniors, 35; sophomores, 45; freshmen, 33; preparatorians, 64; seminarians, 68; total, 307.

An effort is being made to revive the chapter of Sigma Alpha Epsilon.

Personal Mention: Miss Emma Barnitz, of Hanover, is visiting Miss Virginia O'Neal.

Miss Rose Codori left last week for a visit to Philadelphia and New York.

Miss Hattie White left last week for Wellington, Kansas, where she will spend some time with her sister, Mrs. George Porter.

Miss Maude Diller, of Hanover, who has been visiting friends here, returned to her home on Saturday, accompanied by her sister, Mrs. William Codori.

John A. Cox, of this place is to be superintendent of the Electric Railway.

Samuel Bumbaugh, of this place, has taken the position of brakeman on the P. H. & P. between Carlisle and Carlisle Junction, made vacant by the transfer of Charles E. Givler, who was recently made yardmaster at Shippensburg.

Cards are out announcing the marriage of John A. Cox, of this place, to Miss Mary Lee Ellis Criswell, at Westfield, N. J., on May 2.

James B. Slaybaugh and Wm. F. Everhart left on Monday morning for Chicago.

Miss Annie Warner, of New Windsor, Md., is visiting her uncle, Ferdinand Warner.

At an entertainment in the Third Lutheran church of Hanover, on Thursday evening, the literary part of the program was furnished by Miss Amber L. Diehl, of this place. She read and recited several selections, and won for herself many encomiums for her skill as an elocutionist and dramatic reader. She recited the following selections: "A Swan Song," "Jere Brown's Sister's Wedding," and "Wanted, a Minister's Wife."

Mrs. Charles H. Miller, of Baltimore, spent a few days last week with Mrs. Lida Miller.

Miners Working But Solution Remains Mysterious

Lewis Ignores WLB Demands \$2-Day Increase For Men

Washington, May 4 (AP)—Carloads of hard and soft coal rolled out of the country's mines again today—but the key to the labor crisis which closed the industry's doors during the week-end still was missing.

The first day of a two-weeks temporary truce found the miners busily digging the war vital fuel with Uncle Sam as their new boss.

But the issue of who will handle permanent settlement of the wage dispute which brought the week-end walkout found both sides still standing pat.

The War Labor board was confident that President Roosevelt fully supported its jurisdiction, and that the case will be handled without any deviation from the normal wartime procedure.

Ignore WLB

And John L. Lewis asserted the United Mine Workers whom he ordered back to work today pending further negotiations, did not retreat when they agreed to the 15-day armistice—that they still refused to refer the case to the WLB.

The next step, he said in New York, is up to Fuel Administrator Harold L. Ickes, the appointed boss of the government-controlled coal fields.

Members of the board, on the other hand, expressed confidence in their position after at least one of them conferred with Stabilization Director James F. Byrnes, and several of the public members flatly implied that they would resign if they lost control of the case.

In a statement issued after a meeting of the union's policy committee, Lewis repeated recent assertions that the miners are "no longer bound by the no-strike pledge" and that, by adopting the Little Steel Wage formula, the WLB had "breached the understanding" between labor, employers, the public and the administration regarding wartime strikes.

Demand \$2 Boost

Lewis also said "the War Labor board must accept the full responsibility" for the situation which he charged to "distress in the ranks of labor"—apparently replying to President Roosevelt's Sunday night speech in which he blamed the walkout of nearly half a million

miners on the national union officials. He added the miners would stand pat on their original demands for \$2-a-day wage increases, portal-to-portal pay and unionization of minor bosses.

Since there was no statement from Ickes concerning his Sunday conference with Lewis, the capital speculates whether the latter had obtained some concession from the government and bypassed the WLB.

Some sources speculated upon the possibility of a guaranteed six-day week deal which might not require board approval since there would be no increase in basic wage rates. The miners now have a contract providing for time and a half for work after 35 hours on the sixth working day of the week, but six days work is not guaranteed.

One operator spokesman, Edward R. Burke, president of the Southern Coal association, said the association had no objection to guaranteeing a six-day week—as long as the present demand for coal continued.

Lewis spoke only of negotiating with the government. He and other UMW officials have refused to appear before the board or its panel.

1600 MINERS ON "STRIKE"

By EDWARD F. CREAGH

Philadelphia, May 4 (AP)—The

League of Nations in its palmist days seldom saw such a mixture of races and nationalities as convened today for the four-day national folk festival.

Ruddy-faced Bascom Lunsford of Turkey Creek, N. C., who will sing any of 315 mountain ballads at the drop of a battered slouch hat, rubbed elbows with colorfully garbed Chinese, Russian, Polish and a score of other nationalistic groups from 22 states and Canada.

And "Verboten" songs of the Norwegian underground competed with Italian hymns, Indian war cries and Pennsylvania miner ballads—roared out from nearly 1,500 throats to the tinkle and twang of the dulcimer, the scrape of the fiddle and the reedy whistle of bamboo pipes.

Lauded By FDR

"Unity through diversity" is the festival theme, in the words of blonde, blue-eyed Sarah Gertrude Knott, who originated the annual carnival 10 years ago in North Carolina; and President Roosevelt wrote to Paul Green, Pulitzer prize winning president of the National Folk Festival association:

"In binding these elements into a national fabric of beauty and strength, let us keep the original fibers so intact that the fineness of each will show in the completed handwork."

The fibers were intact, woven into an American medley of Scottish airs, Chinese freedom songs and blues by the "Father of the Blues," W. C. Handy, with an obligato of "right and left and corners all" by a dozen fiddlers' groups and service songs by the U. S. Coast Guard band.

The "old American" touch? Amos Kubik, for 14 years town crier of Providentstown, Mass., was on hand to open each session with his original bell.

WAR OUTPUT AT NEW HIGH, BUT SHORT, NELSON

Washington, May 4 (AP)—Record-breaking production totals in aircraft, warships and merchant vessels were rolled up in March, Donald M. Nelson reported today, but first-quarter arms output still fell far short of the rate needed to meet military plans for 1943.

Aircraft output soared to 6,200 planes and heavy four-engined bombers topped the 500-a-month rate for the first time, the War Production Board chairman disclosed in his ninth and most detailed monthly production report.

Naval and cargo ship construction was "the greatest on record," Nelson said, noting the completion of the 45,000-ton battleship Iowa in March and hinting, in these words, that more are coming:

New Warships

"It is expected that from now on many of the larger warships started early in the war effort will be coming into active service."

Overall munitions output in March was 11 per cent above February, although the daily rate change was small because February was three days shorter. Taking the first three months together, however, Nelson was able to say:

"In the first quarter of 1943 we produced almost 18,000 artillery

pieces, including more than 7,000 anti-aircraft guns and more than 8,000 anti-tank guns. Our factories also turned out about 235,000 machine guns and more than 1,000,000 rifles and sub-machine guns."

Nevertheless Nelson warned that steel production is nearing its peak and that the armament goals cannot be met unless the production pace is accelerated 50 per cent beyond the first-quarter records.

134 Merchant Ships

Launching of 134 merchant ships in March indicated that American shipyards had reached a production rate of 18,000,000 tons a year—approximately the 1943 goal—although "subsequent months will have to be at a higher rate to reach the year's objective."

That a higher rate already has been achieved was disclosed in yesterday's report of the Maritime commission that 157 merchant craft were delivered in April and that five launchings a day "now has become routine."

Nelson quoted the commission as reporting, however, that "high rates of labor turnover were threatening seriously the shipbuilding program."

The Treasury and government corporations spent \$7,112,000,000 in March for war purposes, a daily rate 4 per cent above February. The index of munitions production, which takes November, 1941, as 100, reached 533.

RETAINED IN 1A

SEEK MORE PAY FOR TEACHERS

Harrisburg, May 4 (AP)—Senate Democrats proposed to boost cost-of-living salary increases for Pennsylvania's 62,000 teachers from \$23,764,000 to \$31,427,000.

Senator John F. Cox (D-Allentown) drew up amendments which would restore the House-approved \$200 to \$600 scale but would give a greater number of lower paid instructors the maximum increase.

As approved by the lower chamber, the bill called for \$26,827,390 to be distributed among the teachers over the next 15 months. The Senate education committee lopped off \$3,000,000.

"The House is going to remain adamant," declared Cox, "and this amendment might start off a controversy when the bill returns there for concurrence in the amendments made in committee. The House won't accept less money but it might accept more."

LITTLE UNEMPLOYMENT

Only \$78 was paid to Adams countians as unemployment compensation by the state during the week that ended last Friday, it was announced today by G. Harold Wagner, state treasurer. In the state 6,197 checks totaling \$87,988, were distributed.

CUT EMPLOYER PAYMENTS FOR UNEMPLOYMENT

By WICK TEMPLE

Harrisburg, May 4 (AP)—A reduction of at least \$62,500,000 annually in employer contributions to the Pennsylvania Unemployment Compensation fund apparently was assured today through legislation sent to Governor Martin.

Assembly approval of a bill lowering compensation taxes to employers who provide steady work brought disclosure from a high administration source that Martin will sign the measure into law. Thirty-eight other states have adopted similar plans.

Effective for duration of the war, the legislation sets up an experience rating plan providing a graduated rate of taxes ranging from one per cent to the present flat 2.7 per cent of payrolls, depending on the employment record of a specific plant.

House Approves 119-70

Final approval came in the House 119-70 with the Republican majority whipping down stiff Democratic opposition as it did in the Senate two weeks ago. The lower chamber also approved 121-3 and sent to the Senate a related measure enabling employers to make annual instead of quarterly compensation reports and change methods of procedure.

The companion bill led to a brief flare of tempers with all but three Democratic members walking out in protest against refusal of the majority to delay action. Minority leader Reuben E. Cohen said he wanted time to obtain information needed to debate the matter. He kept minority forces in hallways 45 minutes while the bill was being considered.

Governor Martin's tax program, meanwhile, completed its journey through the Assembly as the Senate re-enacted the one cent a gallon

Veteran Combat Flier Expires

Altoona, Pa., May 4 (AP)—Staff Sergeant Leo Lesniak, 26, who returned home a week ago unscathed from 300 hours of combat flying in the middle east for which he won two medals, died yesterday in his home in Ashville, of pneumonia.

Lesniak received the Air Medal for meritorious achievement early this year and only two weeks ago was awarded the Distinguished Flying Cross. His parents, Mr. and Mrs. Peter Lesniak, have three other sons in the armed service.

Lesniak enlisted in January, 1942. He had been well known as a baseball player in this district.

The sergeant was to have reported on May 11 in Salt Lake City as an aerial gunnery instructor.

emergency gasoline levy estimated to yield \$17,000,000 during the next two years.

Redistricting Bill

Last of the administration measures to raise \$155,000,000 in revenue and cut taxes \$45,000,000, the bill was held up for a week to give Martin more time to kill it if tax estimates permit elimination of the levy. The governor has 30 days after final adjournment of the Legislature to act on bills.

A 30-15 vote of the Senate also repassed and sent to the House the administration congressional reapportionment bill eliminating one district in Philadelphia and shuffling Allegheny county's setup. The measure passed both Houses last month was recalled from the governor for correction.

The Democratic minority, bitterly opposed to the redistricting, again challenged constitutionality of the measure with the claim that the Assembly may reapportion congressional districts only once after each census. The state was redistricted last year on the basis of the 1940 census.

"Buffalo Bill" Cody once held the position of "Buffalo killer" for the Kansas Pacific railroad.

W. S. LIVENGOOD RE-TAKES OATH

Harrisburg, May 4 (AP)—William S. Livengood, Jr., inaugurated for his second four-year term as secretary of Internal Affairs, called today for separation of authority among federal, state and local governments.

Given the oath of office by state Supreme Court Justice Allen M. Stearne in the Senate chamber before high state officials and Republican party leaders, Livengood said that "as the weaknesses in local government became apparent instead of trying to correct those weaknesses we transferred the power to the state," and added:

"Now as weaknesses in the state government occur there are those who seek a solution by transferring all power to Washington."

Livengood asserted the weakening of local government had created "an ever growing bureaucracy" which unless restricted "will drive us first to desperation and finally to destruction."

Probable Tragedy

"The greatest tragedy that could befall the American people," he added, "would be to win the war abroad but lose at home the things for which the war is being fought."

The inaugural program, followed by an informal reception in Livengood's office, was arranged by Senator M. Harvey Taylor, Republican state chairman.

Livengood, born in Salisbury, Somerset county, in 1900, was first elected internal affairs secretary in 1938 and re-elected last November. He previously served as Somerset county register of wills.

IDLE MINER DROWNED

Greensburg, Pa., May 4 (AP)—Ellsworth Moore, 25, a Hemphill township coal miner, spending the last day of the miners' strike "holiday" fishing, tumbled into a reservoir near Beatty inn yesterday and was drowned.

Martin To Stop "Fast Driving"

Harrisburg, May 4 (AP)—Strong measures were threatened by Governor Martin today to halt what he termed "a rapidly increasing disregard" of the 35-mile Victory speed limit. His comment followed state police reports that cars are being driven at a 45-mile average.

"The 35-mile Victory speed limit was fixed with the approval of the President as a war emergency measure," declared Martin. "It was deemed necessary to cut down speed to conserve rubber, gas and equipment. For that reason it is vital to our effort to bring this war to a speedy end and that the Victory limit be observed. No good American should be careless or thoughtless about it."

NO BINGO PLAYING

Harrisburg, May 4 (AP)—Legislation to permit bingo playing is dead for this session of the general assembly. The Senate yesterday returned to committee yesterday a bill by Senator John J. McCreesh (D-Phila) to allow issuance of bingo licenses to social and fraternal organizations. The vote was 26 to 19. A House-approved bill legalizing bingo also is dead in Senate committee.

Look up . . . they need your help!

YOU see American fliers training and patrolling up there every day. You read anxiously the news of the thousands more who fight in foreign skies the world around. There is something we at home can do to help these men. They fly on super high-octane gasoline. It gives them a vital edge in air combat. It adds

greatly to the speed and power of their engines. So far as we know, no enemy nation has been able to produce it in such quantities as we have. Right now the job is to get this fuel to these men in battle. To reach Europe or Africa quickly it must come from the Atlantic Seaboard—cutting shorter the scant supplies of petroleum products here.

Before you drive a needless mile . . . remember this—American boys are flying and fighting for you. Some of them are dying for you. Oil is their ammunition! . . . Use it wisely.
